## SEA SAFETY ENGINEERING SERVICES

### **OVERVIEW**

Sea Safety Engineering Services is a Marine based company, which services and supplies Marine life saving equipment such as Lifeboats, Rescue boats, Liferrafts, Lifejackets, Fire extinguishers & Immersion suits.

It is managed by a team of experienced professionals and manufacturer trained engineers with the clear-cut policy of providing superior Quality services at reasonable prices and in a timely manner.

We represent several multinational companies; Norsafe AS, Jiangyin Xinjiang - China, Zhenjiang Marine-China, ACEBI, Oriental Inspection - Korea, Switlik parachute Company - U.S.A, DSB-Survitec Company - Germany, CSM - China, Secumar - U.K.....(to name a few).

The relationship with these companies allows us to remain on the cutting edge of our profession.

Sea Safety is currently operating from Abu Dhabi, Dubai and Fujairah.

Our reputation, capabilities and experience have enabled Sea Safety to satisfy our many clients in our role as a service provider for Life saving Equipment - Inspection services.

We strive to maintain and improve the high quality of our services by self - assessment, performance evaluation and technology up-gradation in order to deliver the highest level of service and value to our clients.

Sea Safety is ISO 9001:2008, QMS, certified and is in the process of certifying itself for OHSAS 18001:2007.

Sea Safety is approved by the National Transport Authority of Abu Dhabi and also by Classes; Lloyds Register (LR), American bureau of Shipping (ABS), Germanischer Lloyd and DNV.

### **HISTORY**

Sea Safety Engineering Services was established in 1983 to service inflatable life rafts and lifejackets for Offshore and Shipping Industry. In 1987, we diversified to include fire

extinguishers servicing and in 1998 we built temperature-controlled workshop to refurbish GRP lifeboats and rescue boats.

Sea Safety now supplies Marine & Aviation life-saving equipment like life-raft, lifejacket, life-buoy, lifeboat and launching appliance, and other marine safety equipment, and also provides with service back-up for the products.

Since then, Sea Safety has built an impressive list of Clients and delivered a diverse range of Life saving equipment.

Sea Safety continues to provide quality service for all Clients at all time.

## **PEOPLE**

Sea Safety was founded by S.M. Lakshmanan & Adallah in 1983.

**Managing Director**, L. Raghu, has more than 25 years' experience in Service projects in United Arab Emirates and overseas. Raghu has worked as an Administration Manager, and was a key member of the team in developing the Company since 1987.
